Players will bowl two woods each. The first named team will bowl black, a coin will be tossed to decide who plays first. All matches to be played over nine ends. Matches up to and including semi-final to be timed. A whistle will sound to start each session, a whistle will sound again after 35 minutes. At that point the current end may be completed but no new ends may be started. An end is deemed to have started once the jack has been placed. Two points will be awarded for a win and one point for a draw. Group positions to be decided by number of points, followed by shot difference, shots for, result between two teams and then number of ends won (in all group games). The winner and runner up from each group advance to the quarter finals. An open draw will be made for all knockout rounds.

Refreshments will be available to purchase throughout the day. If you have any questions before the day then please contact me on either pmcook1@hotmail.co.uk or 07429 142525
